!MARKET NEWS!

The Market continues to offer great fresh foods for the Leavenworth community. New this week are Gala apples and Asian pears, both so sweet and delicious. Also for the first time this season, sweet potatoes were available. Although the days are warm, the shift in seasons has started with these produce items making their appearance. This would be a good time to make apple butter to have as a real treat this winter. Next Saturday will be the perfect time to get all the goodies for the Labor Day Cook Out. Vendors will have fresh produce and the meat vendors will have great selections of hamburgers and brats for the end of summer celebration. And don't forget those wonderful pies and cookies and cakes. It will also be Sign-Up Saturday for the Market Sampler Bag. Remember, you have to sign up every time because we do not keep the list from week to week.

Be sure to check out our face book page at Leavenworth Farmers Market, for the latest information on what is happening at the Market!

Sample Bag Winner!

Earle Barton, pictured here with his daughter Mellani and son Malcolm, was the winner of this week's Market Sampler Bag, with a value of approximately \$80.00. Earle said they are long time residents of Leavenworth, but last week was the first time shopping at the Farmers Market. It was also the first time for his wife to sign up for the Market Bag, so it was a real surprise when they won. They do plan on returning often!
